		2020 to promote **Indian Knowledge Systems (IKS)** and holistic education, the Institute, through its **IKS Centre**, organized various activities such as **International Day of Yoga**, **Bandhan 2.0**, **plantation drives**, and other programmes. Additionally, student research projects were encouraged to integrate the principles of the **Indian Knowledge System**.
	Planning of Curriculum Feedback for Academic Year 2024-25	All Departments collected curriculum feedback from relevant stakeholders before the commencement of the end-semester examinations. The feedback was systematically analyzed at the departmental level to identify strengths, gaps, and areas for improvement. Based on the analysis, appropriate action plans and recommendations were formulated for implementation in the forthcoming academic session to enhance curriculum delivery, teaching-learning processes, and overall academic quality.
25-Feb-2025	Plan for Green Audit Plan for Energy Audit	The Institute conducted **Green Audit** and **Energy Audit** through a certified external agency to evaluate its environmental sustainability practices and energy management systems. The audit confirmed that the Institute complies with the prescribed standards and guidelines related to environmental conservation, energy efficiency, and sustainable campus development. Based on the audit recommendations, the Institute continues to implement measures for efficient resource utilization, energy conservation, waste
